

You want to study in Germany, but your German language skills are currently at B1 level?

Then the Viadrina College Language Course is just right for you!

How long is the program and what courses do you take?

With our 12-month language course from B2 to C1, you will receive the best possible preparation for successful studies in Germany. Each semester you will attend language courses of 12 hours per week. Like this you will continuously improve your German language skills and be prepared for your studies.

How can I participate?

Apply now for the Viadrina College Language Course and make sure to secure a place in the study preparation program at the European University Viadrina!

WHICH UNIVERSITY ENTRANCE QUALIFICATION DO I HAVE?

In order to be able to study in Germany, you need a school-leaving certificate that entitles you to access higher education. Please find out in advance whether you have a **direct** or **indirect** university entrance qualification (Hochschulzugangsberechtigung, HZB). If you have any questions, please contact us!
